EDUCATION

Birla Institute of Technology and Science - Pilani

B.E. Mechanical Engineering, M.Sc. Biological Sciences

Pilani, Rajasthan

Aug. 2021 – May 2026

SKILLS

Technical Skills: Python, SQL (MySQL), Data Analysis and Visualization, Wireframing and Prototyping

Tools: PowerBI, Microsoft Excel, Canva, Figma, JIRA, Trello, AI Automation Tools (Zapier, n8n)

EXPERIENCE

IT Project Management Intern | *Orange Business Services (Gurugram)*

Jan 2026 – Present

- Led **cloud migration** and **application industrialization** projects by coordinating **cross-functional teams** to onboard enterprise applications to **Microsoft Azure** and **Kubernetes** platforms as per the Target Solution Designs
- Managed **end-to-end** project execution lifecycle including solution finalization, **stakeholder communication**, proactive risk tracking, milestone planning, and governance to ensure timely and quality delivery of cloud transformation initiatives
- Designed and standardized a project execution tracker in **Excel**, later strategically migrated to **JIRA**, improving sprint planning, issue tracking, and cross-team visibility; expected to increase project execution efficiency by **20%**

Strategy & Operations Excellence Intern | *Pinch Lifestyle Services Pvt. Ltd. (Gurugram)*

June 2025 – Dec 2025

- Reduced customer **churn from 20% to 5%** by diagnosing user behavior and pain points, implemented **data-driven pricing** and systematic performance tracking mechanisms using **Microsoft Excel** and **SQL** for data analysis
- Doubled **client-handling capacity (100% increase)** by authoring **10+ PRDs** and defining clear product roadmaps; translated user pain points into actionable requirements and led the full **product lifecycle from ideation to launch**
- Improved **operational efficiency** and **profitability** by designing and implementing workflows, SOPs, and KPIs across production, logistics, and quality functions; automated processes to reduce manual effort and **improve accuracy**

Operations and Management Intern | *Indian Oil Corporation Limited (IOCL, Delhi)*

May 2023 – July 2023

- Assessed overall fire safety coverage post-terminal expansion using updated site layout and pump capacity data
- Identified critical gaps in sprinkler distribution & proposed actionable, data-driven infrastructure upgrades for compliance
- Presented data-backed operational improvements and actionable recommendations, enabling on-ground implementation

PROJECTS

Text-to-SQL LLM Application Prototype | *AI Product Development*

Oct 2025 – Nov 2025

- Architected a **Text-to-SQL** system using **Gemini API**, Python, for AI-powered data retrieval from relational databases
- Implemented structured **prompt design** and backend logic to dynamically generate and execute SQL queries, integrating **LLM APIs** with **frontend** and **database** layers to deliver an end-to-end **AI-driven** data interaction workflow

Nykaa Man re-imagined with Gen-AI | *Product Management*

Jan 2025 – Feb 2025

- Integrated **Gen-AI** solutions in the app, prioritized issues and revamped **wireframes** for user-centric solutions
- Defined Key Success metrics such as **Conversion Rate**, **ARPU**, **Stickiness Ratio** to measure the effectiveness of Gen-AI integration in increasing sales and user retention and positioning it to capture a larger market share

Walmart Sales Data Analysis | *Python, SQL, PowerBI, Excel*

Nov 2024 - Dec 2024

- Built a robust end-to-end data analysis pipeline using **Python and SQL** to optimize Walmart sales workflows
- Enhanced strategic decision-making through **data cleaning**, feature engineering using **pandas**, and **SQL** analysis, delivering impactful insights via **visualizations** that uncovered key sales trends and customer behavior patterns

POSITION OF RESPONSIBILITY

Coordinator | *RadioAktiv Club, BITS Pilani*

Jun 2023 - Jun 2024

- Led **40+** member team to organize cultural fest events at BITS Pilani, managing **1,000+** participants across activities
- Generated strong **financial impact (INR 3L+ revenue, 215% ROI)** by organizing events for the Student Union

Vice President | *Marudhara Cultural Association, BITS Pilani*

Jun 2023 - Jun 2024

- Built a strong cultural community by **leading** BITS Pilani's Rajasthan cultural association, overseeing **100+ members**
- Generated event impact (**900+ attendees, INR 1.75L revenue**) by leading a **50+** member team to plan and execute

EXTRA-CURRICULAR SKILLS

Active trader with **1.5 years** of experience in **Forex and commodity markets**, developing session-based **trading strategies** leveraging **liquidity and price action**, with continuous performance analysis to enhance **risk-adjusted returns**
